

ABOUT US

Trained and Experienced Horticulturist always on staff. Yadkin Valley Nursery Company is celebrating 30 years of Horticultural Services in 2006. We have developed a niche in the landscape construction field with our exciting design style and constant rapport with our clients. We specialize in high end residential and design/build commercial. We work very hard to insure our clients' ideas are part of the design scheme.

Rob Means, Owner & Horticulturist

Visit with us on our Website for much more information as well as our price listing of products we grow for sale and further information on our Landscape Division.

Yadkin Valley Nursery Company

Yadkin Valley Nursery Company Office and Display beds for our clients' convenience.

Robert (Rob) L. Means, Jr., BS/NCSU, formed Yadkin Valley Nursery Company in June of 1976. Formally known as Yadkin Valley Nursery Company the landscape division now known as Conifer Ridge Botanical Gardens landscaped such commercial projects as CCB Banks, Brookhollow Plaza in Greensboro, Forsyth Memorial Hospital in the Mid 80's in W-S, Mayberry Mall, J.C. Pennys, and Belk's in Mount Airy, Exposaic Industries (Corporate Office), Quality Mills Cloth Plant and Corporate offices all in Mt. Airy. Leverton Office Park, Calvary Baptist Church (Phase I, II), RJR Flight Operations Center, Residence Inn Hotels all in Winston - Salem, also Courtyard by Marriott and Moravian Home in Winston-Salem, and Red Roof Inns in North Carolina and Virginia, and the Animal Diagnostics Lab (NCSU) in Wilkes County and numerous others. We also, have completed over 100+ renovations or new construction on homes in the Triad area in nearly 30 years of business.

In 1987 we received the prestigious "MERIT AWARD" from the National Landscape Association on a residential project in Winston-Salem. Only 1 of 12 given nationally. Rob has served on several State Boards including the North Carolina Landscape Contractors Registration Board for 8 years and the North Carolina Association of Nurserymen as well as President of the local Chapter of the American Rhododendron Society. Rob also has conducted National lectures from Philadelphia to Atlanta and in local areas on one of his favorite subjects "Dwarf and Miniature Conifers".

In the Fall of 2003, we entered into the retail business selling our "farm grown" nursery stock to the general public under the name Conifer Ridge Botanical Gardens. Also we have over 4 acres of display gardens.

In 2005, we re-entered the landscape contracting field under the name Conifer Ridge Botanical Gardens Landscape Division. Both are divisions of Yadkin Valley Nursery Company and all under the ownership and direction of Robert (Rob) L. Means, Jr., Horticulturist.

Yadkin Valley Nursery Company

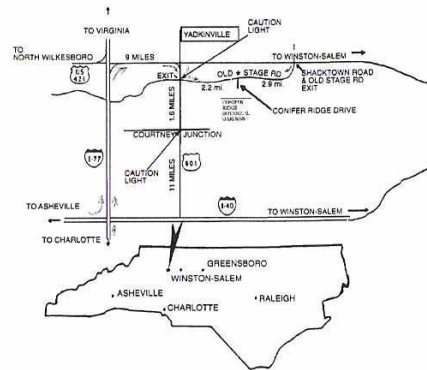

Yadkin Valley Nursery Company is a whole seller to many other nurseries up and down the East Coast. We, also, sell our "farm grown" stock to landscapers and garden centers throughout the Eastern United States.

Conifer Ridge Botanical Gardens

Conifer Ridge Botanical Gardens is our retail & landscape division of Yadkin Valley Nursery Company. Our clients have the opportunity to seek professional horticultural advice on all their planting needs. Also, they can tour the nursery & gardens and purchase plants or view other landscape ideas for their gardens. Open Seasonally Fridays & Saturdays 9 AM—4 PM. (MID DEC-MID FEB. & JULY-AUGUST FRIDAYS ONLY OR BY APPOINTMENT)

This is our display area for our clients to browse in search for the perfect plants for their gardens.

Conifer Ridge Botanical Gardens

Landscape Division

Conifer Ridge Botanical Gardens Landscape Division was formed in 2005 year to provide landscaping ideas and quality service to both residential and commercial clients. Below is a picture of our entrance garden to our office.
